

## How To Delete a Care Team Member

A *User Administrator* can delete an existing Care Team member in the Care Team Portal.

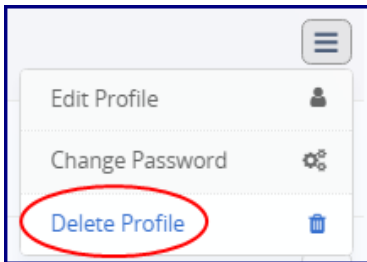

To delete a care team member:

1. In the navigation panel, click **Care Team**.

The care team page appears.

2. In the row of the care team member you want to delete, click the  menu.
3. Click **Delete Profile**.

A warning message appears.

4. Click **Delete**.

The profile is removed from the list.
